the spring mood is delicacy, mornings with blooming fresh flowers & nights spent in french lingerie. it is the gentle kiss before summer's seduction, the grass becomes greener. the birds, bees, and garden fairies shall sing in their own love buzz. the air is more delicate, blessed by petals dancing in the breeze.

A picture is woth a thousand words & a video is worth a thousand pictures.

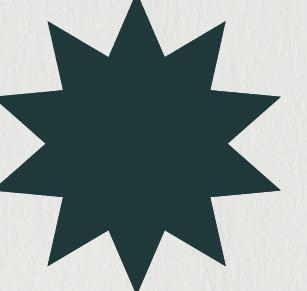

Additional Videos — & Photography

There are unposted mini vlogs & photography dumps you couldn't see on Tiktok, because i only post it on my Instagram account for the memory of some good days i've had in life that being captured by my phone camera. If you don't mind, you can check them out too.
